# Epidemiology and Prevention of Vaccine-Preventable Diseases

**Orange, CA**  
November 19–20, 2009

**Registration  
will close on  
November 2,  
2009 or when  
the course  
is full!**

**A live, two-day course with  
the latest information for providers**

# Goal:

To improve immunization practices in the United States.

## Learning Objectives:

At the end of the program, participants will be able to:

- Describe the difference between active and passive immunity.
- List two characteristics of live attenuated vaccines.
- List two characteristics of inactivated vaccines.
- For each vaccine-preventable disease:
- Describe an emerging immunization issue.

## Continuing Education Credit

To receive continuing education credit, participants must attend all sessions and complete an online course evaluation from a home, office, or public computer with internet access.

**CME Statement:** This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Centers for Disease Control and Prevention (CDC) and the California Department of Public Health. CDC is accredited by the ACCME to provide continuing medical education for physicians.

The Centers for Disease Control and Prevention designates this educational activity for a maximum of **14 Category I** credits toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

**CNE Statement:** This activity for **14 Contact Hours** is provided by the Centers for Disease Control and Prevention, which is accredited as a provider of continuing education in nursing by the American Nurses Credentialing Center's Commission on Accreditations. The Centers for Disease Control and Prevention is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

**CECH Statement:** The Centers for Disease Control and Prevention is a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is a designated event for the CHES to receive **14 Category I** contact hours in health education, CDC provider number GA0082.

**CEU Statement:** The CDC has been reviewed and approved as an Authorized Provider by the International Association for Continuing Education and Training (IACET), 8405 Greensboro Drive, Suite 800, Mclean, VA 22102. The CDC has awarded **1.4 of CEUs** to participants who successfully complete this program.

**CPE Statement:** The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program is a designated event for pharmacists to receive **1.4 Contact Hours** in pharmacy education.

*The Universal Program Number is 387-999-06-43-L01.*
