

Vaccine Tips

March 2010

Help VFC process your vaccine order as quickly as possible.

- Order according to your order frequency:

Category	VFC Doses Received Annually	Order Frequency
High	Over 2,000 doses	Monthly
Medium	500 to 2,000 doses	Every two months
Low	Less than 500 doses	Quarterly

- Consider your current inventory and actual usage to determine how much you will need until your next scheduled order is placed
- Account for all the VFC vaccine listed in your inventory and received in your previous order
- Include an email address for an order confirmation
