

TO: EZIZ
FROM: CDPH
SUBJECT: Afternoon TEAch Influenza Webinar - Register Today!
DATE: 7/15/19

Are you doing all you can to protect your patients from flu?

Every year, thousands of children are hospitalized from flu and some even die, like Scarlet. Her mom wants everyone to know that flu vaccine can make a difference, even when it is less than perfect.

Let's save lives—
learn tips for providing and strongly recommending
flu vaccine to your patients.

Wednesday, July 24, 2019

12pm – 1pm

[Register Today!](#)

The webinar will cover:

- The importance of protecting your patients against influenza
- Vaccines for Children (VFC) Program efforts and guidance to improve influenza vaccine uptake
- How your practice can prepare for the upcoming influenza season
- Strategies for increasing child immunization coverage in your clinic

“Afternoon TEAch with CDPH” is a webinar series offered to California providers. Always held at noon for an hour, these free online webinars will cover a variety of immunization topics to help in your daily immunization work.

We hope to see you for some Afternoon TEAch.
