Dear VFA Provider:

The California Department of Public Health is pleased to share our [shingles vaccine education flyer](#); now also in [Spanish](#)!

This color flyer promotes two doses of the Shingrix® vaccine for adults 50 and older, including those who received a different shingles vaccine prior to 2018.

Download copies of the flyer and use them to educate your patients about the shingles immunization today!

[50+? Protect Against Shingles!](#) | [Spanish](#)
