- ☐ The patient named above, qualifies for vaccination with 317 vaccine. He/she is:
  - ☐ Uninsured, 19 years of age or older
  - ☐ Underinsured, 19 years of age or older—patient has health insurance, but it
    - Doesn't cover vaccines, or
    - Doesn't cover certain vaccines, or
    - Covers vaccines with a fixed dollar limit which has been reached

- ☐ The patient named above does not qualify for immunization with 317 vaccines. This includes adults who have health insurance that pays for vaccines. Adults enrolled in Medi-Cal and Medi-Cal Managed Care are considered fully insured. Refer to other immunization sources:
  - ☐ LHD privately purchased vaccine
  - ☐ Primary provider

---

### Notes

1. This form documents the eligibility status of the patient named above.
2. The health care provider must keep this record for the 317-eligible adult for no less than three (3) years and make it available to state or federal officials for inspection upon request.
3. This record may be completed by the patient.
