VFC Program Important Reminder

Dear VFC Provider,

Please be aware that the [VFC Materials Store](#) will be temporarily unavailable this summer.

- The store will be unavailable starting **June 29, 2017 through early Fall 2017**.
- If you need any vaccine administration materials (including California Immunization Records or Yellow Cards), storage and handling materials, patient handouts, etc., **place your orders by June 27** to make sure your materials are shipped before the closure.
- Your Local Health Department may have immunization materials available for your practice to order. Contact your County Immunization Coordinator for more information.
- Once the online VFC Materials Store reopens, the VFC Program will notify you.

The VFC Materials Store is a convenient way for VFC Providers in California to order vaccine-related materials for free. All you need is your [VFC PIN](#) and [Zip Code](#) to log in.

Are you not receiving VFC's emailed program letters and communications?
