SUBJECT: Meningococcal and HPV9 VISs
DATE: 4/5/2016

Dear EZIZ Users,

These updated Vaccine Information Statements (VIS) are now available.

- [Meningococcal ACWY \(MenACWY and MPSV4\)](#)
- [HPV9](#)

Both of these VISs are now final (as opposed to interim). While we encourage providers to begin using these VISs immediately, stocks of the previous editions may be used until depleted.
