CDPH Compendium of On-Demand HPV Vaccine Webinars

The California Department of Public Health (CDPH) Immunization Branch has compiled a list of updated [webinars and trainings regarding HPV vaccination](#), presented by experts in their respective fields. Many of the trainings offer CME credits. The trainings are divided into 3 subject areas:

- 1. HPV Vaccine Recommendations:** Focus on topics including the burden of HPV, efficacy and safety of vaccine, and updates on HPV vaccine recommendations.
- 2. HPV Vaccine Practice Strategies/Quality Improvement:** Present strategies that can be used to optimize adolescent immunization efforts, improve adolescent immunization rates, and introductory concepts in QI related to HPV vaccination.
- 3. Communication Strategies:** Provide compelling strategies to communicate with patients and their parents about HPV vaccination and address patients' concerns about the vaccine.

We will continue to add more on-demand webinars in the future, so feel free to visit this webpage when seeking HPV-related trainings for you and your staff. Visit www.eziz.org/resources/events/.
