November 4, 2015

2015-2016 Influenza Vaccine Supply Update

Dear VFC Provider,

The California Vaccines for Children Program has processed additional flu vaccine orders this week. Specific products and percentages of confirmed orders are listed below. Please expect your vaccine shipments **the week of November 9, 2015.**

Supplemental Ordering for available flu vaccines has now opened. Log-in to your MyVFCVaccines account to place a supplemental order.

Product	Age Group	Shipment	Supply Information
Fluzone® Quadrivalent Preservative Free Pediatric Formulation 0.25mL, single dose syringes, Sanofi Pasteur	6-35 months	An additional 23% of confirmed doses will be shipped. This shipment will complete initial requested orders.	Adequate supply available for ordering through Supplemental Flu Ordering
Fluzone® Quadrivalent Multi-Dose Vial 5mL, 10 dose vial, Sanofi Pasteur	3-18 years	All requests have been shipped in full.	Adequate supply available for ordering through Supplemental Flu Ordering
Fluarix® Quadrivalent Preservative Free 0.5mL, 10 pack – single dose syringes, GSK	3-18 years	All requests have been shipped in full.	Adequate supply available for ordering through Supplemental Flu Ordering
FluMist™ Quadrivalent Nasal Sprayer 0.2mL, 10 pack-1 dose nasal Spray, MedImmune	Healthy 2-18 years	An additional 20% of confirmed doses will be shipped. Providers have received 53% of requested doses.	Limited doses expected by mid-November. Not yet available for Supplemental Flu Ordering

Note: Orders of 100 doses or less for all products have shipped in full.

Subsequent shipments for the remaining balance of shipped orders will be automatically processed as soon as additional vaccine doses become available.

IMPORTANT:

- Log-in to MyVFCVaccines to verify your clinic's hours of operation are updated. This ensures a timely delivery of your vaccine shipment and prevents undeliverable shipment attempts which may lead to vaccine being spoiled.
