

# Vaccine Tips

August 2017

## Digital Data Loggers (DDLs) will be required for continued VFC participation in 2018.

If you're still using traditional thermometers to monitor temps in your storage units, **you have until December 1<sup>st</sup> to purchase DDLs.**

- ✓ Purchase and install new DDLs before 2018 recertification. (If you're already using DDLs, great!)
- ✓ Have a valid and current certificate of calibration for every DDL.
- ✓ Have at least one backup DDL in case your primary device fails or is being calibrated, and in case you need to transport vaccines.

**For more details and purchasing info, visit the [DDL page on EZIZ](#)**

California Department of Public Health  
Immunization Branch  
Vaccines for Children (VFC) Program  
850 Marina Bay Parkway  
Richmond, CA 94804
