Dear VFA Providers,

The California Department of Public Health, Immunization Branch is conducting a confidential survey to learn more about your clinic's experience as a Vaccines for Adults (VFA) year one program participant. **The completion of the survey is a pre-requisite for participation in Year 2 of the VFA program.** Your feedback is essential to year two program planning and budget forecasting efforts.

The survey should take 20 to 30 minutes to complete. Please consult with your Quality Improvement or Clinic Manager, as needed. A PDF version of the survey is attached to help you gather information prior to taking the survey. Know that if you leave the survey before it is complete, the information you enter will not be saved. **Please complete one survey per VFA clinic site by Tuesday, July 18th.** The survey can be accessed at the following link:

<https://www.surveymonkey.com/r/CaVFASurvey>

If you require additional information or have questions, please email my317vaccines@cdph.ca.gov.
