

Dear VFA provider,

This is to inform you that year 2 of the VFA program is anticipated to begin in January 2018 and a webinar detailing the program requirements for the second year of the program is scheduled to take place on Wednesday, December 13, 2017 between 12-1PM. More details, including the webinar login information will be sent in a separate communication.

Also, please note that for year 2 the VFA vaccine order process will change. For 2017, the last date to submit VFA vaccine orders is **November 15, 2017**. Please plan to submit your orders on or before that date as you will not be able to place an order after this date. The first 2018 quarterly ordering period is projected to be January 1-15, 2018. If you have already submitted an order on or after November 1st, no further action is needed.

The VFA vaccines that are currently available to order are: Hepatitis A, Hepatitis B, Meningococcal Conjugate (MCV4/MenACWY), MMR, Pneumococcal Conjugate (PCV13), Pneumococcal Polysaccharide (PPSV23), Td, Tdap, Varicella, and Zoster.
