Upcoming Adult Immunization Webinars (Free CE credit)

October 4, 2017

Dear VFA Provider,

See below to register for two **free Continuing Education credit** webinars to support you in immunizing your adult patients.

- The CDC is hosting “[The Role of Healthcare Professionals in Protecting Older Adults against Influenza](#),” on **Thurs, Oct. 12th, 11am-12pm**. Presenters will share easy-to-use education materials available to support you in discussing flu prevention with older adult patients.
- Also plan to participate in the National Foundation for Infectious Diseases’ (NFID) webinar, “[Hepatitis A and B Vaccines: Recommendations and Impact](#)” held on **Weds, Oct. 18th, 9-10am**.

Please direct any questions regarding these webinars to the hosting agency, [CDC](#) or [NFID](#).

Don’t forget to visit our [VFA resources page](#) for archived VFA webinars to help orient your new staff and existing staff who could benefit from a refresher.
