Dear VFA Provider,

A Hepatitis B Vaccine Timing Guide is now available on [EZIZ!](#)

Direct link: <http://eziz.org/assets/docs/IMM-1267.pdf>

**This timing guide is intended for providers vaccinating patients 18+ years.**

Does your practice have a routine patient reminder/recall strategy in place to ensure completion of the series? Consult #3 in [“Strategies for Increasing Adult Immunization Rates”](#) for more information.

Reminder: [HEPLISAV-B](#) is available to order through the VFA program. The next ordering period will be April 2<sup>nd</sup>-16<sup>th</sup>, 2019.

Thank you.
