VFC Updates

Dear VFC Provider,

Please refer to the following VFC program updates:

Customer Service Center Closure

The VFC Program Customer Service Center will be closed during the following dates in June:

- Tuesday and Wednesday, June 3-4, 2014 (Staff Meetings)

Orders will continue to be received during these call center closures. Normal business hours will be resumed on June 5, 2014.

Short-Dated Menactra (Meningococcal) Vaccines

Doses of Menactra with expiration dates in September are being shipped to providers and are expected to continue for the next several months.

To prevent loss of these short-dated doses, providers are encouraged to order Menactra in smaller quantities and to place supplemental orders as needed until longer-dated Menactra is available again.

Should you have any questions, please call the VFC Customer Service Center at (877) 243-8832, Monday through Friday from 9am to 5pm.
