

Calling all FQHCs & Look-Alikes: Request for Applications due November 10!

Dear VFA Provider,

The California Department of Public Health (CDPH) Immunization Branch is announcing a Request for Applications (RFA) for a grant to assess and improve adult immunization rates in Community Health Centers (CHCs). CDPH is seeking a Federally Qualified Health Centers (FQHC) or look-alikes with a 25,000 patient population to assess immunization levels and implement quality improvement activities aimed to increase immunization rates in an identified adult patient population. CDPH Immunization Branch staff will provide support and technical assistance to the selected grantee. Funding will be available through June 2024 for up to \$127,000. **Applications are due November 10, 2023. Please share this communication with organizations that could benefit from this funding.** For more details about this grant and application instructions, please see the attachment or click [here](#).
