

## 317 LHD Ordering Temporarily Unavailable

Dear IZ Coordinators,

The 317 Vaccine Order form will be temporarily unavailable due to limited 317-funds. CDPH is continuing to work with CDC to obtain additional 317 redistribution funds to use until the end of the Federal Fiscal Year (FFY) ending on 9/30/2023. We expect to open 317-vaccine ordering again by the start of the new FFY in October, or sooner if additional 317 funds are received from CDC. Orders that are currently pending will be processed once additional funding is made available.

In the meantime, current 317 funding will be prioritized for potential outbreak vaccine requests. If you need 317-funded vaccines for outbreak purposes, please reach out to your Senior Field Representative to start the outbreak vaccine request.

If you have any other questions regarding 317-funded vaccines, please contact us at [my317vaccines@cdph.ca.gov](mailto:my317vaccines@cdph.ca.gov).

Thank you,

California Department of Public Health | Immunization Branch
