

Are you 65+?

Protect yourself with vaccines!

As you get older, your risk of disease complications increases. Ask your doctor or pharmacist about:

- ✓ Flu
- ✓ Pneumonia
- ✓ COVID-19
- ✓ RSV
- ✓ Shingles
- ✓ Tdap

It is easy to get immunized. You can get all these shots at the same time.

Don't wait, stay up to date! Getting immunized can save your life.
