

# Influenza During the COVID-19 Pandemic:

## Guidance Resources

### Influenza Immunization, Routine Immunization, Mass Vaccination

[Recommendations of the Advisory Committee on Immunization Practices—United States, 2020-21 Influenza Season](#)

[Seasonal Influenza Vaccination Resources for Health Professionals](#) (CDC)

- Vaccine composition, dosage and administration, effectiveness and safety, patient education

[Interim Guidance for Routine and Influenza Immunization Services During the COVID-19 Pandemic](#) (CDC)

- Recommendations for various settings and populations, including health care and congregate settings
- Recommendations for personal protective equipment (PPE) and infection control

[California Department of Public Health Influenza webpage](#)

- Resources for California local health departments and providers.

[Mass Vaccination During the COVID-19 Pandemic: Resource List](#) (CDPH)

- Links to resources from CDC and others for safely immunizing at satellite, temporary, and off-site locations

[Influenza Vaccination Promotional Materials](#) (EZIZ.org)

- Flyers, posters, and other patient education materials

[#DontWaitVaccinate Influenza Vaccination Campaign](#) (California Immunization Coalition)

- Social media messages, graphics, and talking points for specific populations, including essential workers

[COCA Call: 2020-21 Influenza Vaccination Recommendations and Clinical Guidance during the COVID-19 Pandemic](#) (CDC)

### Influenza Clinical Guidance

[COCA Call: Testing and Treatment of 2020-21 Seasonal Influenza During the COVID-19 Pandemic](#) (CDC)

[COCA Call: Recommendations for Influenza Prevention and Treatment in Children: An Update for Pediatric Providers](#) (CDC)

[Influenza Antiviral Medications Guidance](#) (CDC)

- Includes considerations raised by various influenza and COVID-19 testing scenarios

[Information for Clinicians on Influenza Virus Testing](#) (CDC)

- Includes clinical algorithms for influenza and SARS-CoV-2 testing in outpatient, emergency department, and inpatient settings

# Influenza During the COVID-19 Pandemic:

## Guidance Resources

### Influenza Clinical Guidance, continued

[Influenza and COVID-19 Summary Recommendations](#) (National Institutes of Health)

- Addresses diagnosis of influenza and COVID-19 when influenza viruses and SARS-CoV-2 are cocirculating
- Addresses antiviral treatment of influenza when influenza viruses and SARS-CoV-2 are cocirculating

### Influenza Surveillance

[Weekly U.S. Influenza Surveillance Report](#) (CDC)

- Viral testing, outpatient visits, hospitalizations, mortality

[California Influenza and Other Respiratory Viruses Weekly Report](#) (CDPH)

- Linked under the “Surveillance Reports” heading on the lower right of the webpage
- Summary of California influenza activity at the statewide and regional level
- Includes viral testing, outpatient visits, outbreaks, hospitalizations, deaths
