INSTRUCTIONS: Providers are required to notify the VFC Program at least 30 days before the practice intends to terminate its VFC Provider Agreement and withdraw participation from the California VFC Program. Note that a waiting period of up to 12 months may apply for re-enrollment requests. Until your withdrawal request is approved and finalized:

• Store vaccines and document temperatures according to VFC Program requirements.
• The practice is responsible for all VFC-supplied vaccines. Failure to account for doses or protect vaccine viability may result in a negligent loss leading to vaccine replacement.
