

Updated Vaccine Information Statements (VIS) Now Available

The following Vaccine Information Statements (VIS) have been updated and are now available to be downloaded from the [CDC's website](#).

- [Zoster/Shingles \(Live\)](#)
- [Zoster/Shingles \(Recombinant\)](#)
- [Pneumococcal Conjugate \(PCV13\)](#)
- [Pneumococcal Polysaccharide \(PPSV23\)](#)
- [Polio](#)
- [HPV \(Human Papillomavirus\)](#)
- [Hib \(Haemophilus Influenzae type b\)](#)
- [Rotavirus](#)
- [Cholera](#)
- [Typhoid](#)

CDC encourages providers to begin using these VISs immediately. However, existing stocks of previous versions may be used until depleted.
