CDC Clinician Outreach and Communication Activity

2019–2020 Recommendations for Influenza Prevention and Treatment in Children:
An Update for Pediatric Providers

Overview

Influenza remains a serious threat to children due to its potential to cause significant morbidity and mortality.

COCA call, subject matter experts from the American Academy of Pediatrics (AAP) and CDC will discuss strategies pediatric providers can use to improve influenza prevention and control in children for the 2019–2020 influenza season.

Date: Thursday, September 26, 2019
Time: 2:00pm–3:00pm (ET)
