

2020-2021 VFC Influenza Vaccine Supply and Shipping Update, September 16, 2020: Additional Doses Shipping Soon!

Dear VFC Provider,

Heads Up! Additional Flu Vaccine Products Have Been Received-Will Ship Next Week

The VFC Program has received additional influenza vaccine supply for this season at our national vaccine distributor, McKesson. Providers whose initial order contains products available for shipping, as listed below, can expect to receive a separate communication outlining the amount of doses that will be delivered **the week of September 21, 2020**. We will continue shipping additional flu products as soon as they arrive at McKesson.

Provider Required Actions

In order to successfully receive vaccine shipments, please:

- 1) Alert your staff of upcoming shipments,
- 2) check your initial order confirmation email, and
- 3) Log-in to your [MyVFCVaccines](#) account to verify that your clinic's hours of operation are current.
- 4) If your clinic will be closed due to COVID-19 for an indefinite amount of time, please review and complete the [Temporary Clinic Closure form](#) with your Provider of Record to inform us of this change.

Note: Flu orders may be held in areas affected by fires and UPS service alert areas, and school-based clinics which may be currently closed due to distance learning.
