

Presenting:

The Twindemic: Planning for Flu Season During COVID-19

Join us as we discuss how to maximize flu vaccination during the pandemic.

Wednesday, September 16, 2020
12:00 PM – 1:00 PM

[REGISTER HERE](#)

In this webinar you'll learn about:

- Why influenza vaccination is especially important this season
- Patient prioritization and guidelines regarding seasonal influenza vaccination
- Modified operations and other tips for adapting during the pandemic
- Messaging to motivate patients to get flu vaccine
- Ordering flu vaccine through VFC

If you have any questions that you would like addressed during the webinar, please submit your question on the registration page or email us at afternoonteach@cdph.ca.gov. This webinar will be recorded and available for on-demand viewing.

“Afternoon TEACH with CDPH”

is a webinar series offered to California providers. Always held at noon for an hour, these free online webinars cover a variety of immunization topics to help in your daily immunization work. We hope to see you for some Afternoon TEACH.
