HPV Prevention: Nurses Get it Done toolkit

"Train-the Trainer" webinar
Wednesday, March 11 at 12:30PM PT

Are you a nurse interested in empowering your clinical team to confidently initiate and complete the HPV vaccine series for your patients?

The National HPV Vaccination Roundtable is hosting a "train-the-trainer" webinar on the **HPV Prevention: Nurses Get it Done toolkit** on Wednesday, March 11th at 12:30 pm PT.

This one-hour webinar will train nurses to use the Nurses Get it Done toolkit to teach the following:

- HPV 101 for Immunizers
- Messages for responding to common HPV vaccine questions
- Tips and resources for managing injection pain and shot aversion

Hosted by the National HPV Vaccination Roundtable, a coalition founded by the American Cancer Society and the Centers for Disease Control and Prevention.
