

Temporary Business Closures

Due to a number of business closures in several areas of the state as a result of ongoing protests, we are temporarily holding vaccine deliveries until Wednesday, June 3rd, to prevent missed delivery attempts.

ACTION NEEDED: If your office has recently submitted an order, AND either 1) anticipates closures for the remaining of this week, or 2) needs an urgent order, please contact us immediately at 877-243-8832.

We have said it before, and unfortunately we are saying it again. These are difficult times. While you keep these major issues in the forefront, we can help with the rest. Stay safe.

Thank you,
