

EZIZ Update

Immunization Branch

Please see revised California Department of Public Health (CDPH) "[Questions and Answers](#)" webpage regarding the medical exemption requirements for immunizations for childcare and school entry in California pursuant to Senate Bills 276 and 714. **Note that many of these changes go into effect starting January 1, 2021.**

More information about the new medical exemption process will be shared with you over the coming months.

Thank you,

California Department of Public Health
