

Presenting:

Catching up Routine Vaccines During the Pandemic

Join us as we discuss catch up vaccination strategies for your practice during the COVID-19 pandemic.

Wednesday, May 26th, 2021
12:00 PM – 1:00 PM

[REGISTER HERE](#)

In this webinar you will:

- Identify tools and resources to increase (improve) immunization rates in your clinic
- Review the ACIP recommendations for catch-up immunizations
- Become familiar with current immunization rates/trends
- Learn how to utilize CAIR to identify which kids are missing which vaccines

If you have any questions that you would like addressed during the webinar, please submit your question on the registration page. This webinar will be recorded and available for On-demand viewing.

“Afternoon TEACH with VFC”

is a webinar series offered to California VFC providers. Always held at noon for an

hour, these free online webinars cover a variety of immunization topics to help in your daily immunization work.

We hope to see you for some Afternoon TEAch.
