

Pediatric Providers: How to Enroll in the California COVID-19 Vaccination Program

Due to high demand, we have changed the webinar platform for this event. If you already registered at the old link, there is no need to register again – you will be automatically registered for the new webinar location. If you haven't registered yet, it's not too late!

Join the California Department of Public Health for an informational session on the enrollment process and requirements for pediatric providers that are interested in participating in the state's COVID-19 vaccination program.

This FREE webinar is intended for California pediatric providers.

- **Tuesday, May 11, 2021**
- **5pm - 6pm Pacific Time**
- [Register Today](#)

Space is limited, so **register today!** If you're unable to attend, this session will be recorded and posted at EZIZ.org/covid.

By the end of the webinar, participants will be able to:

- Explain the need for additional pediatric providers in ending the COVID-19 pandemic
- Describe the process and requirements for enrolling in the California COVID-19 Vaccination Program

List at least 3 helpful resources for providers interested in enrolling.
