VFC Flu Vaccine Ordering

Don’t forget to continue ordering the remaining balance of influenza vaccine your practice pre-booked or were allocated for the 2021-2022 season. As a reminder, flu vaccine usage and inventory are required with every VFC vaccine order (both flu and non-flu vaccine orders). The flu order form

will always display before you can access the routine vaccine order form so that you can report flu vaccine usage and inventory. This must be reported even if you do not plan on requesting additional influenza vaccine doses.
