# Vaccine Tips

---

July 2023

**School is Starting Soon: Your Patients Need YOU to Start on Time!**

## **Prioritize back-to-school immunizations this time of year:**

- Reach out to families to schedule appointments using this [robocall script](#) or [letter](#).
- Administer [needed vaccines](#) at all visits, not just wellness checks.
- Make it easy for busy parents to come in!
  - Set up back-to-school immunization clinics.
  - Offer evening and weekend appointments.
  - Offer immunization-only appointments leading up to the first day of school.
- Talk openly to parents about vaccine safety and concerns. Share personal accounts and [reasons why you support vaccines](#).

## **Need Additional Support? Request an [Immunization Quality Improvement for Providers \(IQIP\)](#) visit!**

- Learn about strategies to increase on-time immunizations.
- Understand how to use CAIR to improve your immunization practice.
- Contact your VFC Field Representative to schedule an IQIP visit today!

**Let's make sure no child is excluded from getting immunized!**
