# 2023 VFC Recertification – Please Complete by January 31, 2023!

Dear VFC Provider,

**Recertification is due Tuesday, January 31, 2023.** As a reminder, this process was launched on December 27, 2022. Complete the required EZIZ Lessons first and then log in to your [MyVFCVaccines](#) account to submit the Recertification form as soon as possible. Not completing VFC Recertification will result in suspension of vaccine ordering privileges and eventual account termination from the VFC Program. Accounts that have not Recertified will be suspended beginning February 15, 2023.

## Helpful Tips to Complete VFC Recertification

- Individual users can link their EZIZ training accounts to a PIN when logged in to their EZIZ training page. Click on “Edit Profile” to update information.
- Providers can also view a list of users associated with their PIN and their lesson completion dates. To access this feature, login to your [MyVFCVaccines](#) account and click on “EZIZ Training Accounts Linked to PIN.”
- Gather updated practice information, like your Registry (CAIR or RIDE/Healthy Futures) ID, and fill in the [Recertification Worksheet](#) (IMM-1207) before accessing the online recertification form.
- Refer to [VFC Recertification FAQs](#) (IMM-1245) for quick answers to your questions.
