VFC 2023-2024 End-of-Season Flu Survey

Dear VFC Coordinator,

Please take a few minutes to complete this [survey](#) to share how well the VFC Program and the CDPH Immunization Branch supported your flu ordering and vaccination efforts during the 2023-24 flu season. We want to hear from you: What's working? What needs improvement? Your response will help us in planning flu improvement efforts as we get ready for this coming 2024-2025 season.

Please have **ONE** VFC representative from your clinic site respond to the [survey](#). It should only take 5-8 minutes.

Thank you for all you do to keep California kids healthy and vaccinated!
