

# Vaccine Tips

August 2024

**Keep up with the latest features in myCAvax!**

**Do you need to update your storage units storing VFC vaccines? Is it time to update your DDLs certificate of calibration monitoring VFC vaccine storage units?**

**Here are tips to keep your accounts up to date and a reminder for myCAvax resources available:**

- **Review your Key Practice Staff, such as Vaccine Coordinators.**
- **Visit the [myCAvax Knowledge Center](#) to view job aids, quick sheets, and other resources specifically designed for Vaccine Coordinators!**
- **[Managing Storage Units job aid](#) contains step-by-step instructions on how to upload supporting documents such as certificates of calibration and pertinent storage unit information. Uploading documents will reduce the amount time needed to verify information provided ensuring quicker order processing.**
