

Save the Date! What's New with Winter Respiratory Viruses?

Join us for our next VFC Afternoon TEACh webinar: *What's New with Winter Respiratory Viruses?*

This Afternoon TEACh webinar will be the last of 2024, covering winter respiratory diseases and Advisory Committee on Immunization Practices (ACIP) updates along with the upcoming VFC recertification process commencing January 2025. This session is intended for providers enrolled in the California Vaccines for Children (VFC) Program.

When: Thursday, December 5, 2024, 12:00 pm – 1:00 pm (PT)

[Register for the VFC Afternoon TEACh webinar here!](#)

By the end of the webinar, attendees will be able to:

- Explain general respiratory vaccination reminders and ACIP updates and apply them to their immunization practice.
- Understand and complete the VFC recertification process for the upcoming program year on the myCAvax platform.
- Identify resources for immunizing against respiratory diseases this winter season and VFC Program recertification.

“Afternoon TEACh with CDPH” is a webinar series offered to California providers. Always held at noon for approximately an hour, these free online webinars cover a variety of immunization topics to help in your daily immunization work. We hope to see you for some Afternoon TEACh.
