

Vaccine Tips

October 2024

It's RSV season and RSV Awareness Month!

- [Open ordering for nirsevimab](#) happening now.
 - Providers may continue to order doses as needed and replenish any doses used throughout the RSV season.
 - Orders will be processed on a first-come, first-served basis until biweekly threshold from CDC is depleted.
 - Available supply will be continuously monitored, and ordering may be temporarily paused until our state allocations are refreshed.
- Maternal RSV vaccine (Abrysvo) is also available.
 - Promote [maternal and infant RSV immunization](#) in your office and for more information see on our [RSV resources page](#).

Reminder: Keep ordering flu and COVID-19 vaccines!

- Baby, child, teen, or tween? Vaccinate them by Halloween! 🎃
- Promote [flu and COVID-19 vaccines](#). [Spanish](#) available!
