

California  
Vaccines for  
Children Program

January 28, 2025

# ACTION REQUIRED: Pre-Book Your 2025-2026 VFC Flu Vaccine by February 3!

Dear VFC Provider,

If you have not done so already, pre-book flu vaccine for the upcoming 2025-2026 season **by Monday, February 3, 2025**. After that, the VFC Flu Pre-book will no longer be available on your [myCAvax](#) account. This is your **ONLY** chance to let the VFC Program know which flu vaccine is your preferred product and the number of doses you need next season. If your practice does not pre-book and provide us your brand preference, the VFC program will allocate doses based on available supply. After VFC Flu Pre-book is closed, any requests to change your brand preference or allocated product will **not** be accommodated.

## Helpful Tips to Complete 2025-2026 VFC Flu Vaccine Pre-book:

- Save time by gathering required information ahead of time and completing the [Pre-book Worksheet](#) in advance.
- For more details about the 2025-2026 VFC Flu Vaccine Pre-Book process, please refer to the [communication sent on January 16, 2025](#).

If you have any questions, please call the VFC Customer Service Center at [myVFCvaccines@cdph.ca.gov](mailto:myVFCvaccines@cdph.ca.gov) or call 877-243-8832 (877-2GET-VFC). If your clinic has been affected by ongoing wildfires or power outages and will not be able to pre-book 2025-2026 flu vaccine prior to the February 3 due date, please reach out to the VFC Program for assistance.

Thank you and your staff for your efforts in submitting your pre-book in a timeline manner. This process will determine the California VFC Program's overall flu vaccine

need and the amount of each flu vaccine product (by brand) to support VFC provider vaccination efforts for the entire 2025-2026 influenza season.
