Are Your Patients Ready to go Back to School?

VACCINATION FOR
SCHOOLING

**Prepare kids for back to school by getting them immunized.
Reminders for your practice:**

- **Order Vaccine**
 - Make sure you have enough vaccine in stock.
 - Order any [school-required](#) vaccines now.
- **Schedule IZ visits and get patients caught up**
 - Always check patient vaccine records or see their [CA Digital Vaccine Record \(DVR\)](#) when they come in for visits.
 - Talk to parents about routine immunizations and recommend any overdue vaccines for their children.
- **Set up walk-in clinics or hours**
 - To help see patients that are too busy to come in for a visit
 - Or if they forget to schedule an appointment
- **See the CDPH [Shots for School website](#) for more information and resources below to promote school vaccines**
 - [Don't Wait Vaccinate Toolkit](#)
 - [No Shots? No Records? No School. Poster](#)
 - [Notice of Immunizations Needed Checklist](#)

- Remember to routinely review [Vaccine Information Statements \(VIS\)](#) and share with patients at every IZ visit

Thank you for all you do to protect your patients against vaccine preventable diseases!
