By the end of the webinar, attendees will be able to:

- Explain updates to the 2025 Pediatric ACIP Schedule and closing RSV season.
- Promote Adolescent Immunization Action Week to patients and partners and share resources to increase adolescent immunizations and stay up to date with them.
- Describe the key achievements of the California Vaccine for Children Program and the impact of this program within the last 30 years.
- Identify updated and relevant resources for pediatric immunizations.

“Afternoon TEACH with CDPH” is a webinar series offered to California providers. Always held at noon for approximately an hour, these free online webinars cover a variety of immunization topics to help in your daily immunization work. We hope to see you for some Afternoon TEACH.
