Save the Date for the VFC Afternoon TEAch Webinar: Thursday, October 16

Join us for our next Afternoon TEAch
webinar: *Protecting Californians:
Respiratory Immunization Updates, AB144
Impacts, and Tools for VFC Providers*

Grab your lunch and join us for our next VFC TEAch webinar! This webinar will provide a comprehensive overview of AB144 and its implications for California VFC providers. Participants will also have an opportunity to learn about the latest respiratory immunization recommendations: influenza, COVID-19, and RSV. We'll also share key resources for VFC providers to enhance their immunization efforts. Don't miss this opportunity to stay informed and prepared for the upcoming respiratory season and beyond!

When: Thursday, October 16, 2025, from 12PM - 1PM (PT)

By the end of the webinar, attendees will be able to:

- Understand the implications of AB144 on immunization practices for California VFC providers.
- Review current vaccine recommendations for influenza, COVID-19, and RSV.

- Explore tools and resources available to VFC providers to support effective vaccine delivery and communication.

“Afternoon TEAch with CDPH” is a webinar series offered to California providers. Always held at noon for approximately an hour, these free online webinars cover a variety of immunization topics to help in your daily immunization work. We hope to see you for some Afternoon TEAch.
