

# High Traffic Causing Latency Issues on VFC Website – Prioritize Flu Pre-Book Submission by 2/3; RECERTIFICATION DEADLINE EXTENDED

Dear VFC Provider,

Due to an increase in traffic to our VFC website and reports of latency issues, the deadline for submitting your 2023 VFC Recertification has been extended to **Wednesday, February 15**. Complete the required EZIZ Lessons first and then login to your [MyVFCVaccines](#) account to submit the Recertification form prior to the new deadline.

For more information on the 2023 VFC Recertification process please refer to the [VFC Program Letter](#).

## Pre-Booking of VFC Flu Vaccine Closes on February 3<sup>rd</sup>!

If you have not submitted your VFC flu vaccine pre-book for the upcoming 2023-2024 VFC influenza season, complete it **by Friday, February 3, 2023**. If you have also not completed 2023 Recertification, prioritize flu-pre-book submission first. Due to the short turnaround time for California to pre-book flu doses from the CDC, we will not be able to offer any extensions beyond this due date. If brand preference is not submitted, VFC will allocate doses and brands for ordering based on available products which may not align with your organization's preference. To prevent this, pre-book your doses now! For further details, please review the [VFC Flu Vaccine Pre-Book communication](#).
