VFC 2023-2024 Initial Flu Vaccine Order System Now Available Until 8/24/23

Dear VFC Provider,

Please read the attached letter “*VFC 2023-2024 Initial Flu Vaccine Orders*” for more detailed information about the second phase of VFC flu vaccine ordering, initial orders.

Key Takeaways:

- ✓ Initial orders of VFC influenza vaccine (50% of the total pre-booked) have been placed. As usual, initial orders will be sent in multiple shipments this fall.
- ✓ No further action is required by providers who pre-booked in January 2023.
- ✓ For providers who did not pre-book, please submit your initial orders by **August 24, 2023**; Brand preference cannot be accommodated in these orders.

The VFC Program anticipates processing initial flu orders for available products on August 25, immediately after the due date, for delivery the week of August 28. More information about shipment timelines and available products to ship will be communicated the week of August 21.

Thank you,
