VFC Recertification is Due January 31st!

Dear VFC Provider,

Recertification is due Wednesday, January 31, 2024. As a reminder, this process was launched on December 20, 2023. Complete the required EZIZ Lessons first and then log in to your [MyVFCVaccines](#) account to submit the Recertification form as soon as possible. Not completing VFC Recertification will result in suspension of vaccine ordering privileges and eventual account termination from the VFC Program. Accounts that have not Recertified will be suspended beginning February 15, 2024.

Note: if you are a local health department (LHD) clinic or enrolled in the Vaccines for Adults (VFA) Program, please ensure you complete VFC recertification by January 31st to ensure we have appropriate contact information to prepare you for part 2 of your recertification process in myCAvax. Please refer to the [recertification letter sent by the VFA Program](#) for full details.
