VFC Flu Updates

Pre-Order Now for 2023-2024 VFC Flu Vaccine

Submit your 2023-2024 CA VFC Flu Vaccine Pre-book now until **February 3, 2023**. The California VFC Program is preparing for the upcoming 2023-2024 influenza season. Pre-booking your VFC influenza vaccine doses is the first of three phases of the 2023-2024 VFC flu vaccine order process and will be your **ONLY** chance to let the VFC Program know which flu vaccine is your preferred product and the number of doses you need next season. Refer to the [communication](#) sent on January 25, 2023 for more information on the pre-book process.

2022-2023 VFC Flu Vaccine Ordering

Continue to order the remaining balance of influenza vaccine your practice pre-booked or were allocated for the 2022-2023 season. As a reminder, flu vaccine usage and inventory are required with every VFC vaccine order (both flu and non-flu vaccine orders). The flu order form will always display before you can access the routine vaccine order form so that you can report flu vaccine usage and inventory. This must be reported even if you do not plan on requesting additional influenza vaccine doses.
