- Timeline for ordering recurs every day from April 15th through 30th, excluding weekends. Order transmission and receipt of orders only highlighted the first week for illustration purposes only.
- **\*Shipping Window: Orders may ship out sooner than anticipated 'orders shipped' by dates and may arrive earlier than the 'Estimated Delivery' dates.**
- Orders will be reviewed and approved daily; however, VFA sites should allow for up to 2 weeks after order submission for review, processing, and shipment of the order. If vaccine inventory or accountability corrections are needed prior to order approval, VFA Program staff will notify the clinic's Vaccine Coordinator. Please respond as soon as possible to prevent delays in order approval. **Orders needing correction will be held in queue until requested corrections are resolved or orders will expire after 2 weeks of pending corrections.**
- Delivery windows are dependent on provider's days/hours of operation. Update hours in myCAvax for any holiday or temporary closures. Watch for emails regarding order confirmations, advance shipment notices of vaccine, and temperature monitoring alerts. **MCKESSON DOES NOT SHIP VACCINES ON FRIDAYS AND NO DELIVERIES ARE MADE ON MONDAYS.**
