

UPDATE: VFA Vaccine Ordering Now Open

Dear VFA Provider,

The VFA vaccine ordering period is now open.

Please plan to submit your order **no later than Wednesday, April 19, 2023**. After this date, you will not be able to place an order until the next ordering period, projected to open in Summer 2023. Please note that the VFA Program does not offer VFA supplemental orders.

Before placing your VFA order, please review the [VFA ACIP Update Clinical Letter](#), which includes information regarding:

- Adult Immunization Recommendations
- New CDC Hepatitis B Screening Guidance
- Updated Pneumococcal Recommendations
- Updates to VFA Vaccine Policy

Please note, **vaccine order caps have increased**. If you would like to request doses beyond the caps, please include on the comment section of the order form the vaccine, amount and reason. These special requests will be reviewed and approved on a case-by-case basis.

This ordering cycle will be the last period VFA offers limited doses of PPSV23. Please refer to the [clinical letter](#) regarding vaccine updates and plan accordingly.

Steps to Order Vaccine:

1. Log-in to your [MyVFCVaccines](#) account.
2. Enter your VFC PIN and ZIP Code.
3. After you have logged in, click on the "Order 317 Vaccines" button.
4. Confirm that your Practice Delivery Information is correct.

5. For your order, select the vaccine from the drop-down and enter the number of doses you would like to request. *(For requests over the cap, please add information in the Comments section).*
6. You will be required to enter 317 doses administered and 317 doses on hand.
7. Click Preview to review the order and make any corrections if necessary.
8. Click Submit to place your order.
