# 2025 VFA Annual Recertification is Now Available, Complete by February 14, 2025!

Dear VFA Provider,

Please read the attached program letter “**2025 Annual VFA Recertification**” for more information on the annual Recertification process.

## Key takeaways from this letter:

- ✓ By **February 14, 2025**, complete all steps in the VFA Recertification process, including completing the required lessons on [EZIZ](#) and the Recertification Form on [myCAvax](#).
- ✓ Not completing VFA Recertification will result in suspension of vaccine ordering and eventual termination from the VFA Program.
