

VFA Webinar Save-the-Date and Clinical Letter: New Formulation of MMR Vaccine

Dear VFA Provider,

Please save the date for the next VFA Webinar on **Wednesday, January 11th from 12 pm - 1 pm** titled "**VFA Updates and Year 7 Requirements.**" This webinar will cover VFA program updates, immunization recommendations, and a special presentation from Community Health Centers of the Central Coast on how to best integrate PCV20 into clinical practice.

A registration link will be sent closer to the webinar date. Please lookout for another email with the registration information.

Additionally, you will find an attached clinical letter outlining the Advisory Committee on Immunization Practices (ACIP) recent updates concerning the new formulation of MMR vaccine, **Priorix**.

Please refer to this clinical letter to guide you in ordering and prioritizing use of the Priorix vaccine.
