On June 10, 2024, the VFC program will be live in myCAvax. Primary and backup vaccine coordinators will be able to place VFC vaccine order requests once they have access to the VFC program.

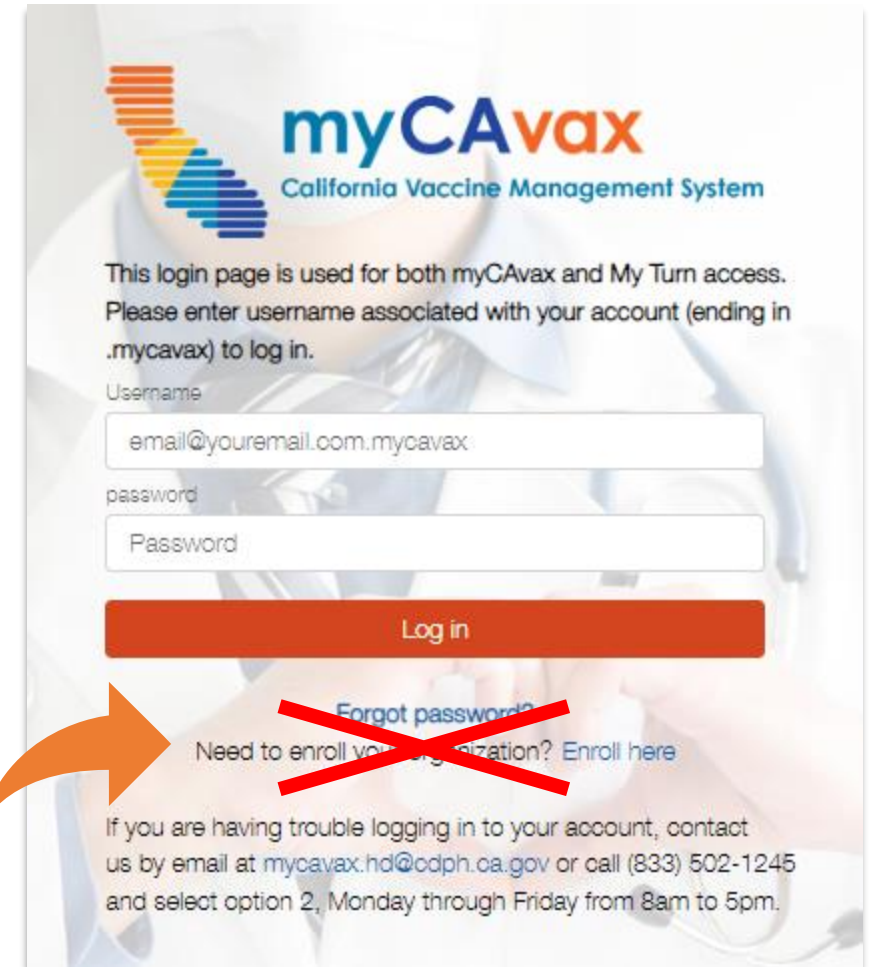

- Continue placing vaccine order requests following your normal VFC order frequency.
- You will be able to request multiple vaccine products in one order.

Preparing to Access the VFC Program in myCAvax

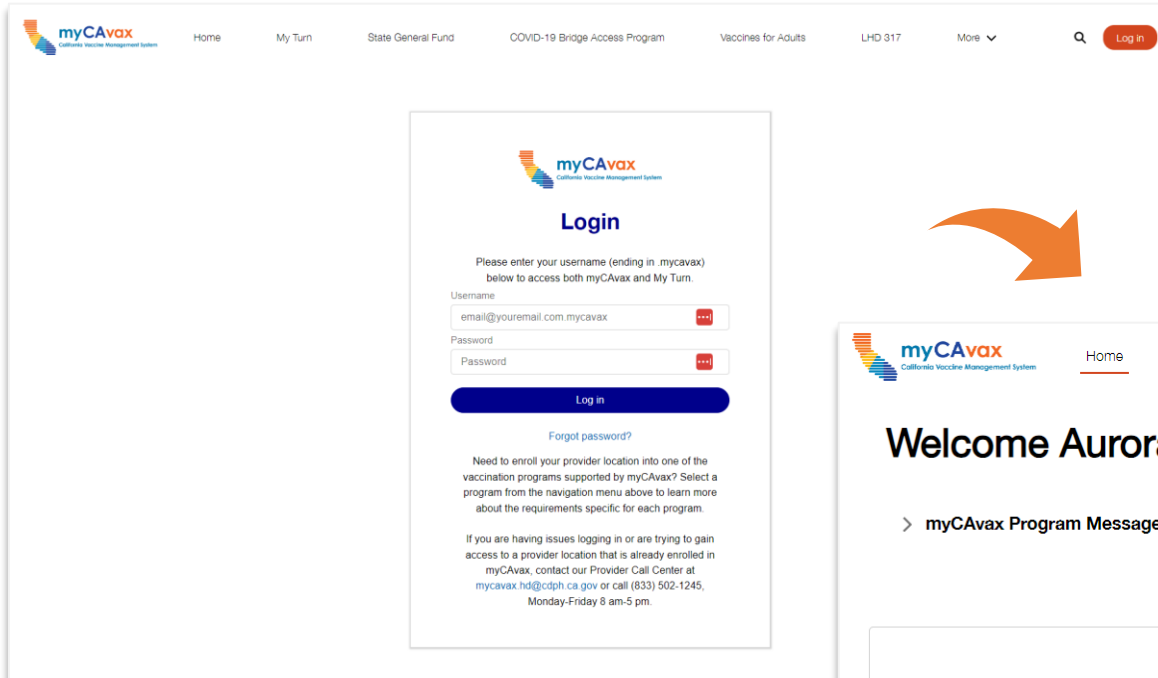

Primary and backup vaccine coordinators will be granted access to myCAvax based on the information provided in MyVFCvaccines. **You do not need to take any action to setup or restore myCAvax credentials today. You will be granted system access automatically, based on the information provided in MyVFCvaccines.**

- Your primary and backup vaccine coordinator will receive a myCAvax welcome email on **Monday, June 10, 2024**, which will ask them to finish setting up their myCAvax user account (if a new myCAvax provider).
- If support is needed, contact the VFC Customer Service Center at MyVFCvaccines@cdph.ca.gov or (877) 243-8832.

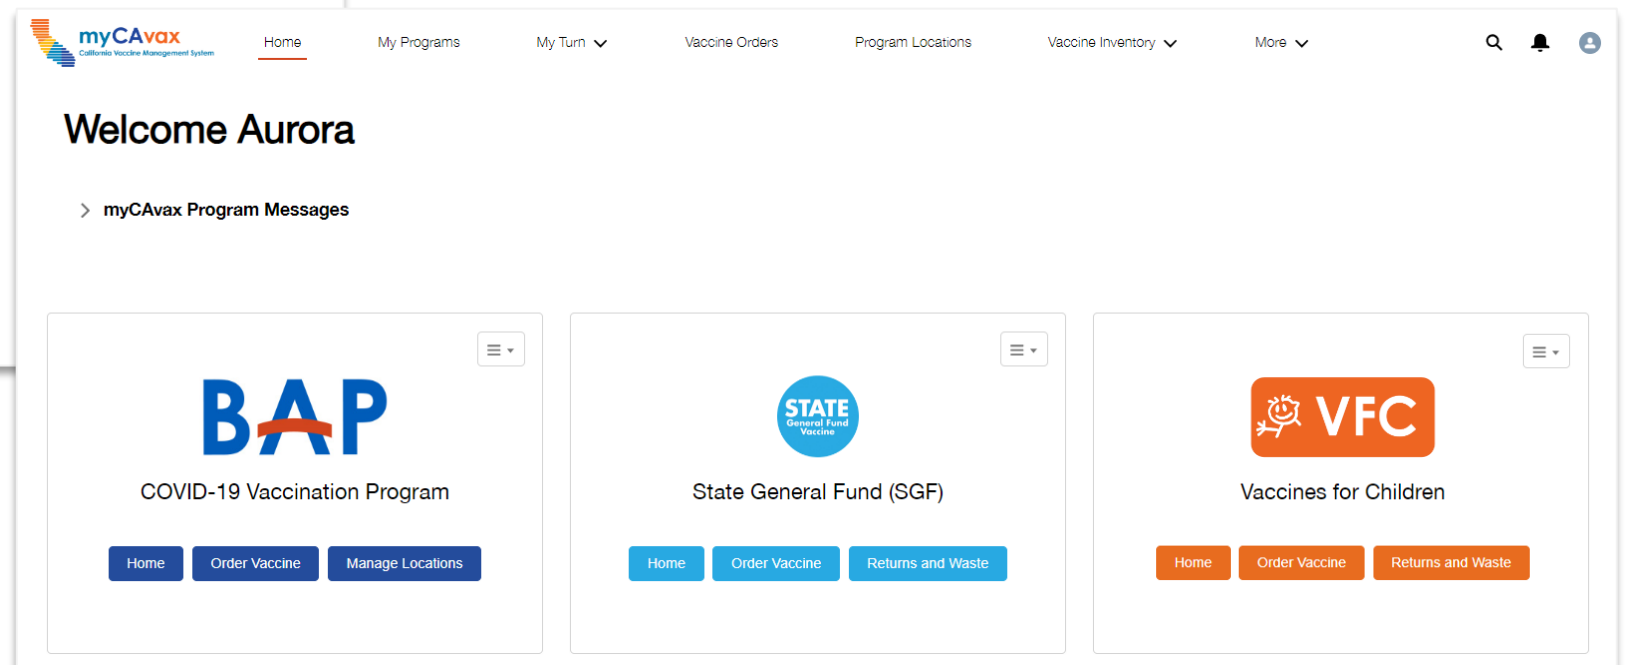

You do **NOT** need to enroll your organization myCAvax as CDPH will migrate your PIN information into myCAvax.

Existing myCAvax User Access to VFC Program

If you have existing access to myCAvax, on June 10, 2024, you will be granted access to the VFC program if you were listed as the primary or backup vaccine coordinator in MyVFCvaccines. Simply login to myCAvax using your existing credentials and the program will be added.

Getting Ready to Place a Vaccine Order Request

Before ordering, ensure that you:

- Report all vaccine waste / returns in myCAvax before placing an order request.
- Have at least one active storage unit designated to store VFC vaccines at your location.
- Account for all vaccine inventory on-hand (e.g., doses administered, expiration dates, and lot numbers).
- If issues arise in placing a vaccine order request, contact the VFC Customer Service Center at MyVFCvaccines@cdph.ca.gov or (877) 243-8832.

Who Can Place a Vaccine Order Request?

You must log in to myCAvax using your own unique login credentials.

Have myCAvax Access

- **Organization Vaccine Coordinator** – Coming soon! This role oversees multiple vaccine clinics.
- **Primary and Backup Vaccine Coordinator** – Are primarily responsible for routinely ordering and managing VFC vaccines in myCAvax. Attending myCAvax training is highly recommended. Completing EZIZ training is required.
- **Additional Vaccine Coordinator** – If you have a third person who routinely supports the VFC program, you may request one additional vaccine coordinator by calling the VFC Customer Service Center. Completing EZIZ training is required before access can be granted.

Do Not Have myCAvax Access*

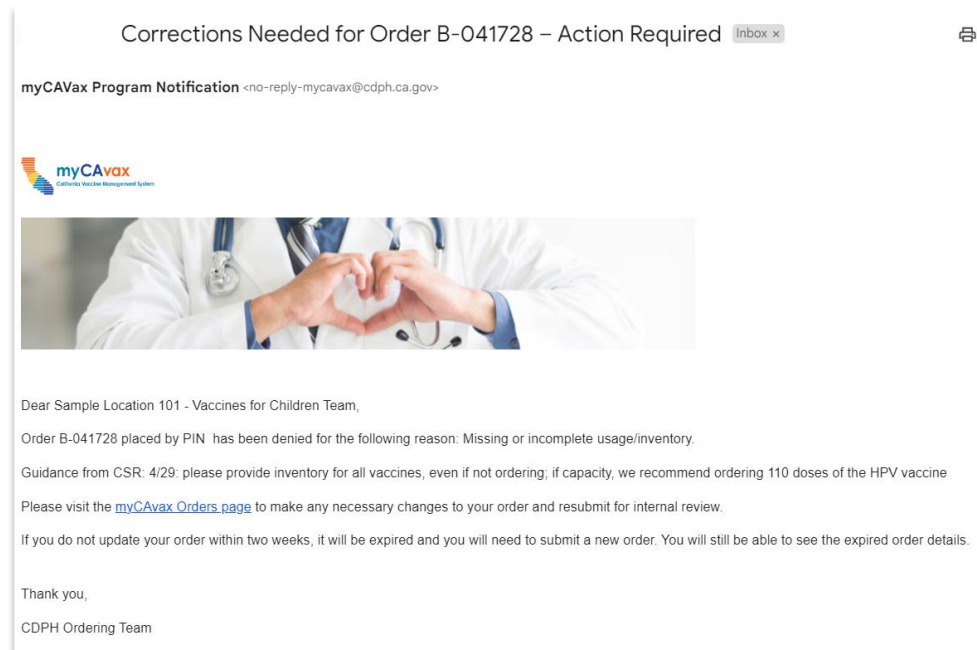

- **Provider of Record (POR)** – Must DocuSign VFC program agreement only for newly enrolling VFC providers.
- **Medical Staff / POR Designee**
- **Additional Staff / Communication Staff Members**

***NOTE:** This is true assuming the above roles are the only role assigned to a provider. The above can be primary, backup or additional vaccine coordinators, too, which would grant them system access.

How will I be updated about my order status?

After submitting your VFC vaccine order request, CDPH will review your submission. Be sure to mark no-reply-myCAvax@cdph.ca.gov as a safe sender to receive all email communications.

- If corrections are needed, you'll receive an email from myCAvax asking you to login to myCAvax and make the needed corrections.
- If approved or rejected, you'll receive an email informing you of the status change.

Upcoming Trainings

VFC 102: Managing VFC Vaccine in myCAvax

The VFC program will be live in myCAvax on **Monday, June 10, 2024.**

Join CDPH for a 30-minute webinar exploring how to report storage and handling events in myCAvax with an opportunity for Q&A. This training is intended for VFC providers (i.e., primary and backup vaccine coordinators) who will be responsible for managing VFC vaccine in myCAvax (e.g., reporting waste, transfers, shipment incidents, and excursions). CDPH is offering three sessions of this live training. The content is repeated, so you only need to sign up for one of the following webinars:

- **Friday, June 7, 2024, from 9:30 – 10 AM**
- **Wednesday, June 12, 2024, from 10 – 10:30 AM**
- **Wednesday, June 19, 2024, from 12:30 – 1 PM**
- **Friday, June 21, 2024, from 9:30 – 10 AM**

Register on [Zoom](#).

VFC Office Hours

The VFC program will be live in myCAvax on **Monday, June 10, 2024.**

Join CDPH for a 30-minute Q&A session about the VFC program in myCAvax. You will hear quick updates from subject matter experts and leadership before jumping into a dedicated Q&A session. CDPH will share similar updates at each session. Join one or many sessions as you have questions. CDPH recommends joining one session each week.

- **Thursday, June 20, 2024, from 9:30 – 10 AM | Register on [Zoom](#).**
- **Thursday, June 20, 2024, from 12:30 – 1 PM | Register on [Zoom](#).**

Select Location, Provide Inventory and Doses Administered for Vaccines listed.

- Select the location account.
- Ensure the current VFC inventory in your vaccine storage units matches the On-Hand Inventory you enter.
- Your VFC Doses Administered inventory must match the immunization registry (CAIR/Healthy Futures).
- Complete all required transfers, waste events, and returns prior to this order request.
- Account for every dose of VFC-supplied vaccine ordered and received by the provider location.

Comirnaty (Pfizer) Single Dose Vials - 10 Per Box							0

On **Step 1 – Select Account and Product**, select your program location from the dropdown.

Then, vaccines will appear in the table, grouped by type. 'VFC On-hand Inventory' information must be included for each vaccine you currently have on site.

As you input your VFC on-hand inventory and doses administered, your provider inventory will update. Cross-reference your reported inventory against myCAvax's calculated provider inventory to ensure accurate reporting and efficient order approval.

Place your order request in 'Doses requested'. A warning may appear if doses requested are above recommended order size.

Correcting Vaccines Orders

Corrections Needed for Order B-041728 – Action Required Inbox x 

myCAVax Program Notification <no-reply-mycavax@cdph.ca.gov>

Dear Sample Location 101 - Vaccines for Children Team,

Order B-041728 placed by PIN has been denied for the following reason: Missing or incomplete usage/inventory.

Guidance from CSR: 4/29: please provide inventory for all vaccines, even if not ordering; if capacity, we recommend ordering 110 doses of the HPV vaccine

Please visit the [myCAVax Orders page](#) to make any necessary changes to your order and resubmit for internal review.

If you do not update your order within two weeks, it will be expired and you will need to submit a new order. You will still be able to see the expired order details.

Thank you,

CDPH Ordering Team

CDPH will review the submitted vaccine order request. If corrections are needed, you will receive an email notifying you of needed corrections.
