2023-2024 VFC Influenza Vaccine Shipments

Dear VFC Provider,

The California Vaccines for Children (VFC) Program will begin processing influenza vaccine orders for providers who have pre-booked and submitted initial orders, with products that are currently available at McKesson. Percentages of initial orders are listed below.

If you did not pre-book vaccines and have not yet submitted your initial order, complete your initial order before August 24 if you would like to receive flu vaccines with this round of shipments. Orders will be processed next Friday, August 25 for shipments arriving the week of August 28.

IMPORTANT: If your clinic will be closed in the next few weeks, please notify the VFC Program immediately at 1-877-243-8832 to prevent any shipping incidents.
